Teams turning in completed rosters first and teams with primarily Ottawa players will be slotted first. **To have a league, we must have six (6) teams.**

### **Roster on the next page:**

Your team must have 12 players minimum on the roster. *Teams with all Ottawa in-city-limits players may not add out-of-city-limits player but may add players from within the city limits on the night of the first game. Teams with any amount of out-of-city-limits players can add players from inside or outside of the city limits at the first game. No players may be added after the first game.*

**At the first game, if requested by the softball directors, teams are required to provide photocopies of ID's with address for each player who did not play in the Ottawa Summer Leagues. Players unable to provide ID will be considered illegal. If a team plays an illegal player (who is not on the roster or is an extra out-of-district player), it must forfeit all games the player has been in and dismiss the player.**
